

WHAT IS SCRUBS CAMP?

The Scrubs Camp is a day-long event where students will hear from a variety of healthcare professionals who will discuss what they do and how they got into their professions. Students will also have a chance to experience many hands-on activities throughout the day. Scrubs Camp is aimed at high school students who have an interest in entering the healthcare field.

The purpose of the Scrubs Camp is to provide South Dakota high school students a chance to learn about careers within the healthcare field by offering them an opportunity to explore and experience various Healthcare industry careers.
